## WHY SHOULD THIS INDIVIDUAL OR TEAM BE CONSIDERED FOR THIS AWARD?

*Use this list of questions to help you to put together a well-crafted motivation of maximum 2 pages:*

- What was the opportunity or problem that the individual or organisation was confronted with?
- Who took the action?
  - Tell us something about the individual or team being nominated.
  - What is the job context – was the action taken part of the individual/ team's job or outside the normal scope?
  - Did the individual/ team exceed expectations or perform beyond the call of normal duty? In what way? Is the behaviour consistent or a once-off occurrence?
- What action did the individual/ team take in response/ what was the solution and the impact? Describe it, by considering the following:
  - Which areas were affected/ impacted by the solution - how wide was the impact?
  - How creative was the solution – is it a brand new approach in the organisation or the industry or was a concept adapted to the current circumstances?
  - Did the individual/ team effect change? In what way? Impact (what / who / duration)?
  - What were the direct and indirect consequences of the individual/ team's actions?
  - How sustainable were the results of the 'intervention'/ actions –short or long-term?
  - What was the timeframe that it took to implement / effect the change?
  - What challenges were overcome in delivering the solution/ making the impact?
  - What was the impact on business strategy delivery? Was there a financial gain or cost-saving for the company? How much? Once-off or on-going?
  - Why is it an exceptional achievement?
